Dear Sir

**RENEWAL OF CERTIFICATE SAA132534EA
Swimming Pool Sanitising Equipment
MODEL NO. ES-3**

We are pleased to advise that the abovementioned certificate has been certified for a further 5 years.

Please ensure you keep the enclosed certificate in a safe place as it is your evidence that the product has been certified.

The approved product must now be marked with the SAA Number SAA132534EA or may be marked with the Regulatory Compliance Mark (RCM). The RCM must be used in accordance with the conditions set out in the relevant parts of AS/NZS 4417.

Please note that if the electrical product is modified in any way or your company details change you are required to notify this office of the details of the modification. You can either download the required form from our web page or contact our office.

As part of our operational guidelines we are required to check that a certified product remains compliant during the term of the Certificate. At some stage during this term we may request a sample for evaluation.

If you need any further information or need to discuss this letter please don't hesitate to contact our office.

Yours sincerely

A handwritten signature in black ink, appearing to be 'JH'.
